A year of long hair, beads, and quick exits for ZBT. Lewis pulls the all-time Jay Feld. Three pledges, Doyd, Mark, and Micky grab a souvenir and in turn are grabbed. Sler gets a cold left cheek, Mitchell, two pairs of hot lips and Apter an experienced hand. Bear, Biff, Sugar, Dietz and others play musical rooms. Popper sees red, Jacobs wished he did, San Miguel sees double and at times not at all. Loring resigns as P.B. champ, and a Happy Clown rapes the Dancing Girl. Soupy refuses to do a point 5 but half the pledge class doesn't do much better. It is true Blake is a MOT and Bush is still #2. Boys meet girls— Bear, Cub, Sabu, and even Beeno. (By the way Gay, What happened in Greenwich and is love above snickers?) Finally, but not least — Mom Fletcher, you're the greatest and good luck to the class of '69, What's left, and not coming back next year.
