(representing all fraternities)

is

Against Coeducation

Adopted by University Council —

1) "Social fraternities at Washington and Lee are a valuable and integral part of both the University and Lexington communities;" coeducation threatens the existence of fraternities here at W&L.

2) We think there are other alternatives to coeducation: better recruitment, more scholarships, and increased alumni involvement.

Let's make sure of our facts and figures before we make an *irreversible* change.
