Dr. Fred C. Cole  
President  
Washington and Lee University  
Lexington, Virginia

Dear Dr. Cole:

Confirming our telephone conversation of this morning, I advise you that I agree with you that you could not do otherwise than accept the request of the President to serve on the nation-wide committee relating to the recent Civil Rights legislation. I hope that the other members of the committee will be congenial and that the work of the committee will be productive of sane counsel and that the President will respect such counsel.

Looking forward to seeing you on the 24th and 25th of July, if not sooner, I am

Yours sincerely,
