House Managers' Association

The fraternity Housemanagers' Association, including fraternity treasurers or house managers, is a group of students who meet regularly during the year to discuss and solve financial problems of the fraternities. Advised by Dean James D. Farrar, the group has sought ways to cut fraternity costs. The Association also supports fire prevention standards and encourages sanitation requirements for fraternity kitchen equipment and employees.

Cotillion Club

The Cotillion Club is composed of several members of each fraternity. Its main function is to present Openings and Springs Dance Sets. The co-presidents of the organization are the two presidents of Spring and Openings Dances. The secretary is appointed by a committee of the club.

Delta Chapter

Established 1920 • Founded at City College of N. Y., 1902

Delta chapter of Phi Epsilon Pi Fraternity made its entrance onto the W&L campus in 1920. Since then, it has contributed much to the varied activities and aspiration that make up the W&L way of life. This is in accordance with the ideals of Phi Ep: friendship and excellence of action.

Delta's pride this year, as in those preceding, bears upon the achievements of the big and of the little. Capturing the interfraternity scholastic trophy two semesters in a row and earning, collectively, a house grade point ratio previously unmatched was a paramount accomplishment. Delta's small ranks made themselves felt in almost every area of extra-curricular activity; we also fielded a pe-sky football squad, a bowling team, a midget-sized basketball crew, and have hopes for another good-field, no-hit baseball team.

A friend commented recently that, for its size, Phi Ep certainly packs a wallop. We contributed two business managers to two different publications and peopled, to a great extent, the staffs of these publications. Several brothers acted with the Troubadours and participated in Home Edition; PEP members are found in academic societies such as: Psi Chi, Phi Eta Sigma, Pi Sigma Alpha, AED, English Seminar Committee. PEP gave a president to the Glee Club and a chairman to the Independent Party.

Although the fraternity assumes new roles each year, there is one constancy which illustrates our success as a group, and that permeates life at Delta—this being embodied in the person of its housemother, Mrs. William C. Flournoy, "Mom" has served in this capacity admirably, loyally, and lovingly for twenty-three years. It is indeed a source of strength and a matter of pride that such a relationship has been perpetuated for so long.

Alpha Epsilon Chapter

Established 1920 • Founded at City College of N. Y., 1898

Alpha Epsilon Chapter of Zeta Beta Tau Fraternity became a recognized fraternity at Washington and Lee in 1920. Since that time it has established for itself a prominent position in all phases of university life.

Scholastically, Alpha Epsilon has always ranked within the top three fraternities at Washington and Lee. Last year the fraternity finished second with an overall 1.667 average, with eighteen men out of forty-eight making the Dean's List or Honor Roll. For the last two years, a ZBT has been Valedictorian of the senior class; in 1961 it was Brian Vitsky, and this year it was Joe Goldstein.

In campus activities the fraternity has been in a distinguished position. This year, Steve Galef served as senior Executive Committeeman and Ken Boiarsky as the freshman representative to that group. Galef also was president of the Washington and Lee Dance Board, president of the Student Service Society, and chairman of Liberty Hall Society. Tony Schlesinger was treasurer of the Interfraternity Council, while Joe Goldstein was editor-in-chief of the *CALYX*, and chairman of the Student Library Committee.

Steve Galef and Joe Goldstein were both selected for *Who's Who in American Colleges and Universities* and for Omicron Delta Kappa, national honorary fraternity.

Tom Supak, Danny Markstein, and Jerry Dattel were members of the SWMSFC; Tony Schlesinger, Markstein, Dattel, Galef, and Jim Wallenstein of the Student Service Society; Joe Goldstein and Herb Salomon of the Student Library Committee and of AED, honorary medical fraternity.

Mike Sussman, Tony Schlesinger, Nicky Cohen, Art Portnoy, Bill Solmson, Mike Levin, and Joel Goozh were members of the Mongolian Minks; and Herb Salomon and Randy Cole of the "13" Club.

ZBT also participated enthusiastically in intramural sports as well as in varsity athletics. Stu Yoffe, Mike Levin, and Bill Angel played varsity football. Randy Cole and Dave Hyman played varsity soccer. Jim Wallenstein and Brian Dorsk were on the swimming team. Art Portnoy, Dick Coplan, and John Rosenberg were on the rifle team. Dave Hyman, Jon Supak, and Tom Supak were on the varsity basketball team; and Barry Greene was on the varsity baseball team.

Mike Sussman served as Alpha Epsilon's social chairman this year. Most memorable was the Fancy Dress Weekend when the ZBT's had Huey "Piano" Smith and Buster Brown.

Mrs. Forrest Fletcher again served devotedly and faithfully as ZBT's housemother.
