Dr. Francis P. Gaines
Washington & Lee University
Lexington, Virginia

Dear Dr. Gaines:

I agree with you that the matter of colored students on the campus is one that should be approached with care. I have no objection but I think the matter should be presented to the whole Board either individually or collectively.

With warm regards,

Sincerely yours,

A handwritten signature in blue ink, appearing to read "J. Morrison Hutcheson", with a long horizontal flourish extending to the right.

J. Morrison Hutcheson, M. D.
