## DELTA CHAPTER

This fall, Delta Chapter of Phi Epsilon Pi started its second year in their new house, the newest on the campus. Many improvements have been planned and some have already been carried out. Several trees and bushes were planted early this fall.

Phi Ep continued to maintain its high scholastic standing by ranking first on campus first semester last year, and third the second semester. Seniors Howard Jacobs, Joel Kocen, and Barry Goldsmith are on the Dean's List, Delta chapter also received the scholarship award made by the national fraternity.

Delta chapter also maintained its position in extra-curricular activities. Steve Berg, last year's president, and this year's house manager, is Friday editor-in-chief of the **Ring-Tum-Phi**, and also vice-president of Sigma Delta Chi. A member of the President's Student Advisory Council, Steve is also listed in "Who's Who in American Colleges and Universities." Howie Jacobs, New Superior of the house, paces Steve in activities. This year Howie is on the Cold Check Committee, and is a member of both the Student Service Society and the Student Advisory Council. Sophomore Allan Biberman is chairman of the Charity Chest. Junior Marty Slater and freshman Mil Schwartz are respectively circulation manager and assistant circulation manager of the **Southern Collegian**.

Phi is also well represented in athletics, Barry Storick, last year's co-captain and star of the basketball team, is an assistant coach this year. Sophomore Mel Lessman is again a starter on the basketball team, Junior Ron Rubin and freshman Hal Fischel are both on the wrestling team.

Our gracious and understanding house mother, "Mom" Flournoy starts her nineteenth year at Phi Ep. This earns for her the title of "Dean of House Mothers."

The highlight of opening for Phi Ep this year was the great new combo discovered by Dick Tager, vice-president. Playing for the first time at W. and L., they were hailed as "the best to hit the university in many years." They also played twice for Fancy Dress.

## ALPHA EPSILON CHAPTER

Zeta Beta Tau had its beginnings on the Washington and Lee campus in 1920 as an outgrowth of the Gamma Gamma Club which was formed in 1919 by six students. Granted a charter by the national fraternity, it became the Alpha Epsilon Chapter. From this humble beginning the chapter has expanded notably in size and prestige and was recently awarded the Fraternity Cup as the outstanding chapter of ZBT for 1956-57.

As exemplified in this and in preceding years, ZBT has striven to attain and maintain unexcelled participation in the scholastic, extra-curricular, and social phases of campus life. The installation as pledges of fifteen freshmen, bringing the total membership of Alpha Epsilon to fifty-five, inaugurated the fraternity's successful year.

Individually, Zeta Beta Tau can boast of outstanding leaders representing almost every activity on campus. Ralph Evans was elected President of the 1958 Spring Dance Set and is a member of the SWMSFC. House President Steve Friedlander is business manager of the Ring-tum Phi and is member of the Publications Board. Two coveted positions are held by Ross Pickus, Commerce School Vice-President of the senior class and vice-president of the Student Service Society.

Active elsewhere are Jerry Abramson, president of the Washington Literary Society; Irv Berman, president of Psi Chi; and Jerry Sklar, treasurer of the IFC.

Athletically, the ZBT's started the year with a fine football squad, finishing a close second in its league. Dick Brickman made the All-intramural team. Recent varsity letter winners are Ira Samelson for football for the third straight year, Merritt Pigitz for riflery, and Alan Osher and Art Blank for swimming. Art Blank was the 1957 Southern Conference diving champion.

Alpha Epsilon is deeply indebted to Mrs. Lenor Marsh, our patient housemother, whose tolerance, understanding, and sympathy have contributed immeasurably to our home away from home.
